## 1) Box Card

Based on a tutorial by Amanda Bates – <https://thecraftspa.blogspot.com/2015/07/gift-bag-punch-board-box-card-tutorial.html>

### Adjusted Measurements –

**Card Base** – 8-3/4" x 4-1/4", **Card Inserts** – 3"x3" (Cut 1" strips instead of 1/2"),  
**DSP** – 5-5/8" x 4-3/8" (Score at 1-7/8" and 3-3/4"), After punching top sections, line up on the trimmer at 3-1/4" and cut and again at 2-3/4" and trim off thin strip.

## 2) Pocket Card

Based on a tutorial by Erica Cerwin – [https://www.youtube.com/watch?time\\_continue=2&v=ftozifZT0z8](https://www.youtube.com/watch?time_continue=2&v=ftozifZT0z8)

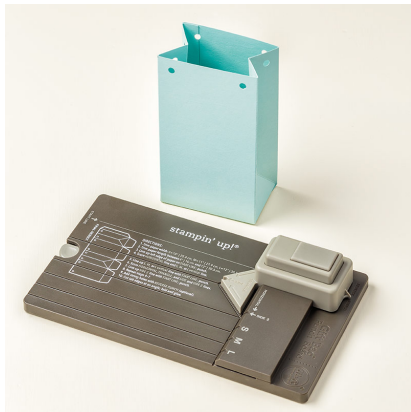

**Measurements for Quick Reference –**  
DSP – 10" x 7-1/2" and 3" x 10", Inside DSP  
– 1" x 4 -1/4" (although I cut this piece 1-  
1/2" tall). Inside Card Stock – 4-1/4" x 5-  
1/2" and 4" x 5-1/4".

Score at 2-1/2" and 7". Cut off outside  
flaps.
