Instructions:

1. Cut out a piece of Daffodil Delight Card Stock that measures –
2-1/2" (W) x 8-1/2" (L) or ...
6.5cm (W) x 21cm (L)
2. Score along its length at the 4-1/4" (or 10.5cm) mark and fold the piece in half.
3. Use some Magic Tape to secure the tag from the 'Bonanza' Dies to the front of the piece as shown, making sure the top extends slightly over the folded edge.
4. Cut out a tag from the double thickness of card stock to form the easel section of the tag base.
5. Score and fold the top section of the tag at the half way point as shown.
6. Die-cut a single tag from Daffodil Delight Card Stock and glue to the lower half of the front, easel section.
7. Die-cut a small piece of DSP with the smallest scalloped rectangular die from the 'Stitched So Sweetly' Dies and attach to the lower edge of the tag base with Stampin' Dimensionals.

8. Die-cut a piece of DSP with the fourth largest scalloped rectangular die from the 'Stitched So Sweetly' Dies and glue to the tag front.

9. Die-cut a lion and a separate head/tail and fussy cut a party hat and bunch of balloons from the Birthday Bonanza DSP.

10. Glue the pieces together, add Stampin' Dimensionals to the back and attach the lion to the card front.

11. Tie a length of Mini Braided Trim through the opening at the top of the tag front and knot to form a loop.
12. Die-cut the two banners ('Bonanza' Dies) from the front and reverse side of a piece of DSP and glue to the top of the tag front as shown (snipping off excess).

13. Using Tuxedo Black Ink, stamp the 'To' and 'From' sentiments from the 'Bonanza Buddies' Stamp Set onto a scrap of Whisper White Card Stock and cut out using the second smallest scalloped rectangular die from the 'Stitched So Sweetly' Dies. Glue to the centre of the tag base.

I really appreciate you purchasing my tutorial bundle and supporting me in my creative business. Please respect the time and creativity that has gone into producing these projects/ PDFs; when posting your creations on-line inspired by this tutorial, out of 'netiquette', please link back to the following blog post to give credit. Thank you.
