## Instructions:

1. Using Pear Pizzazz Card Stock, follow the general instructions for a Box Card (Template & Mini Tutorial in separate PDF). Punch the ends of the box flaps with the Delightful Tag Topper Punch. If you prefer to work in centimetres, please note that 5cm is approx. the same length as 2".
2. Die-cut 6 or 7 dandelions from Very Vanilla Card Stock (Sweet Silhouettes Dies). Colour in the stems with a Pear Pizzazz Stampin' Write Marker. Strengthen the stems by adhering a thin piece of Window Sheet behind each one.
3. Die-cut about 9 small leafy branches from Pear Pizzazz Card Stock (Nature's Thoughts Dies).
4. With Stampin' Dimensionals Tear & Tape Adhesive and/or Mini Glue Dots, using the pictures as a guide, stick the dandelions and leafy branches to the back, middle box inserts and front of the box card.
5. Stamp the small bird (Celebrate with Cake) with Cherry Cobbler Ink onto Very Vanilla Card Stock; fussy cut with Paper Snips and attach to the back dandelion with a Mini Stampin' Dimensional.
6. Die-cut two small dandelions (Lovely Flowers Dies) from Very Vanilla Card Stock and colour in the stems with a Pear Pizzazz Stampin' Write Marker. Attach to the back and middle-front box insert.

7. Die-cut three intricate scallop edged shapes from 'Nature's Thoughts' Dies from scraps of Pear Pizzazz Card Stock. Add a length of Tear & Tape Adhesive to the back of the die-cuts before the small cut pieces fall out. Attach to each box card flap as shown (almost 5 scallops across the width). Trim off the excess die-cut on both sides to level with the edges of the box flaps.

8. Stamp the sentiment with Tuxedo Black Ink onto Very Vanilla Card Stock and punch out with the 1-1/8" Scallop Circle Punch. Back with a Cherry Cobbler punched 1-3/8" Scallop Circle. Attach to the front box flap with a Stampin' Dimensional.

9. Stamp a small Pumpkin Pie butterfly from 'Butterfly Gala' onto Very Vanilla Card Stock and punch out using the Butterfly Duet Punch. Stick down the left wing onto the scallop circles with a Mini Stampin' Dimensional.

10. Stamp the 'Lots of Birthday Wishes' Banner with Cherry Cobbler Ink onto Very Vanilla Card Stock and fussy cut. Attach to the front, lower section of the box card with an edge strip of Stampin' Dimensionals (If you want this card to fit inside a standard card size envelope, it would be better to use a different sentiment that doesn't extend the width of the box card front).

11. Cut a piece of Very Vanilla Card Stock (H)5" x (W)1-3/4" and punch out the top with the Delightful Tag Topper Punch. Glue to the back of the box card. This is where you can write a greeting.

12. Card will fold 'flattish' and fit inside a standard card size envelope providing you are careful to keep the embellishments within the width when the card is folded downwards.

I really appreciate you purchasing my tutorial and supporting me in my creative business. Please respect the time and creativity that has gone into producing this project/PDF; when posting your creations on-line inspired by my tutorial, out of 'netiquette', please link back to the following blog post to give credit. Thank you.
