5) Glue the woodgrain paper to the top z-fold section and box insert as shown.

6) Attach the box insert tabs to the inside L & R sides of the top, open box section as shown in the photo. Make sure the insert sits flat when this 'box' section is swung towards the left to 'close' the card.

7) Glue a rectangular die-cut with a sentiment (So Sentimental - SU) to the inside-left of the card base. I used Early Espresso Ink on Shimmery White Card Stock and die-cut using the die from Nature's Thoughts (SU).

8) Optional: Add a die-cut ring (Champagne Foil, Little Treat Box Dies from SU). Fill up the 'prong setting' of the ring with Rhinestones (SU) to add some sparkle.

9) Add a scallop die-cut edge to the front of the card (Shimmery White Card Stock, Peony Dies from SU).

10) Glue the last strip of woodgrain paper against the edge of the scallop die-cut.

11) Embellish the **Card Front**. Stamp the couple's initials (retired SU set - Broadsheet Alphabet) with Early Espresso Ink onto Shimmery White Card Stock and die-cut each with a banner die from 'Tasteful Labels' (SU).

12) Attach the largest macramé hanging pot with foam adhesive squares and glue (Macro Made For You & Macro Made Fillers Dies from The Greeter). Card Stock - Very Vanilla, Gray Granite, Pear Pizzazz (SU). Stick some pearls to the hanger as shown.

13) To complete the card front, stick some Rhinestones to the banner pieces and a 'scattering' over the 'open' section.

14) **Inside-Middle Section** – Die-cut and assemble the small and medium sized hanging pots (Macro Made For You & Macro Made Fillers Dies from The Greeter). Card Stock – Very Vanilla, Gray Granite, Garden Green, Mint Macaron (SU). Add some adhesive pearls to the hangers as shown. Attach the small hanging pot to the middle panel with foam squares and glue. Attach the top of the middle-sized hanging pot to the Box Insert with a couple of Glue Dots.

15) Stamp and fussy cut the living room chairs (Gray Granite Ink – SU, His & Hers Stamp Set – Catherine Pooler Designs). Attach both to the middle panel with foam adhesive squares.

16) Die-cut and assemble the Parlor Palms (Altenew) using Gray Granite patterned paper (In Good Taste DSP) for the pot and Mossy Meadow and Pear Pizzazz for the palm leaves. Attach the pot with a foam adhesive square to the far-right section of the card.
