How to Construct a Butterfly Easel Card - Butterfly Easel - Number 1 - Gorgeous Grape

1. Align the number 1 butterfly die just slightly above the folded edge of the easel base.
2. Run it through the die-cutting machine to form the butterfly easel card base.
3. Score between the wings on the front piece of your butterfly easel card base and fold the bottom section of the butterfly downwards.
4. Die-cut a single plain butterfly (number 1).
5. Emboss the single plain butterfly with the Meadow Moments Embossing Folder and glue to the lower section of the folded piece of the card base.
6. Die-cut a detailed butterfly (1a) and attach to the middle section of the embossed butterfly with Mini Glue Dots. Curl the wings upward for added dimension.
7. Repeat steps 1 to 6 using the different sized dies and corresponding measurements.
