Cutting Dimensions -

White Cardstock -

Card Base: 12" x 6", scored at the 6", halfway mark.

Card Front: 6" x 6"

Bees & Butterflies Paper -

Card Front Mat - 5-3/4" x 5-3/4"

Card Base - 5-3/4" x 5-3/4"

Rectangular Prism: (to form an easel stopper) - (L)2-1/2" x (W)6", scored along the length at the 1/2", 1", 1-1/2" and 2" marks.

Instructions -

1. Fold the top of the card in half at the 3" mark to form an easel base.
2. Glue the card front mat to the white card front. Glue the bottom half of the card front to the front easel section.
3. Glue the other patterned piece to the card base.
4. Crease all the score lines with a Bone Folder on the easel stopper piece. Add glue to the end 1/2" tab and stick to the inside to form the rectangular prism.
5. Glue the underside of the easel stopper, 2" in from the centre fold.

6. Die-cut three Wonky Picket Fences from the 'woodgrain' area of the patterned paper (Basics). Cut all but two posts off the end of the third fence so they fit within the card width of 6". Glue to the front of the Wonky Picket Fence.

7. Fussy cut the border of flowers from the patterned paper and glue to the front fence.

8. Attach one embossed die-cut butterfly to the card 'front' (background) with mini foam dots.

9. Attach a strip of acetate to the back of a butterfly die-cut and to a bee die-cut with Mini Glue Dots. Stick the lower extended piece of the acetate on both to the back of the easel stopper.

10. Position the other embossed die-cuts (two bees and a butterfly) onto the picket fences as shown.

IMPORTANT - When attaching the die-cuts to the Wonky Picket Fences, make sure that they don't extend beyond the edges of the card when it is folded down 'flat'.

11. Cut out a sentiment from the patterned paper and glue to the embossed die-cut label. Attach to the card base with Foam Adhesive Dots. Stick two Gold Pearls to the label.
12. To fold the card, push down the easel stopper towards the front edge of the card base then lift up the front easel section and lay flat on top.
13. Glue an embossed die-cut to the front of the envelope as shown.
